DISTIL YOUR WORLD LONDON SINGLE CASK

ABV: 62.9%

The Macallan has introduced Distil Your World London – an innovative new exploration in collaboration with the Roca brothers to discover the essence of one of the world's greatest cities. Steven Bremner and Josep Roca have carefully selected an exclusive single cask at The Macallan Distillery to complement the gastronomic creations and offer indulgent food and whisky pairing experiences which represent the city. The whisky and food pairings can only be experienced at The Macallan Estate or in select spiritual homes in London.
